The image shows a 'User Registration' dialog box for 'Pluck'. The dialog has a title bar 'User Registration' and a Pluck logo. On the left, there is promotional text: 'Why register: Can't share. Can't sync. What can you do? More marketing stuff.' The main area contains registration fields: 'E-mail address:' with the value 'busey@pluck.com', 'Password:' with '*****', and 'Confirm Password:' with '*****'. A note states: 'E-mail addresses must be verified before the account can become active. In future versions you will be able to register multiple e-mail addresses.' Another note states: 'Passwords must be at least six characters in length and must contain at least one number or symbol.' Below these is a question 'Do you use multiple computers?' with radio buttons for 'Yes' and 'No'. A final note says: 'Select yes if you use multiple computers and you want Pluck to help you keep your web experience synchronized between them.' At the bottom are three buttons: '< Back', 'Next >', and 'Cancel'. A reference numeral '300' with an arrow points to the 'Confirm Password' field.

User Registration

Pluck

Why register:
Can't share.
Can't sync.
What can you do?
More marketing stuff.

E-mail address:
busey@pluck.com

E-mail addresses must be verified before the account can become active. In future versions you will be able to register multiple e-mail addresses.

Password:

Confirm Password:

300

Passwords must be at least six characters in length and must contain at least one number or symbol.

Do you use multiple computers?
☒ Yes
☐ No

Select yes if you use multiple computers and you want Pluck to help you keep your web experience synchronized between them.

4/22

The image shows a software dialog box titled "User Registration" with a subtitle "Multiple Computers Synchronization Options". It contains two questions with radio button options. The first question asks about automatic synchronization of favorites information, with "Yes" selected. The second question asks about importing favorites from Internet Explorer, with "No" selected. A note explains that synchronization only works with Pluck Favorites. A reference number "300" with an arrow points to the "No" option of the second question. At the bottom are three buttons: "< Back", "Next >", and "Cancel".

User Registration

Multiple Computers
Synchronization Options

Do you want Pluck to automatically synchronize your favorites information between multiple computers ?
☒ Yes
☐ No

Do you want Pluck to import your favorites from Internet Explorer into Pluck Favorites ?
☒ Yes
☐ No

Note: Synchronization only works with Pluck Favorites, so if you want your existing favorites to be synchronized between multiple computers you must select this option

What is synchronization?

You can turn synchronization on later if you choose not to activate it now.

5/22

The image shows a software dialog box titled "User Registration". Inside, there is a section titled "E-mail Notification Options" with the subtitle "Sharing Links with Users Who Are Not Registered with Pluck". The main text asks: "If a user does not have Pluck installed, Pluck will automatically e-mail the shared link, note, and other information to the user. Is this ok?". There are two radio buttons: "Yes" (selected) and "No". Below this, it says: "If you do not enable this option, attempts to share links with users who are not Pluck users will not be work." Then it asks: "If you would like to include an additional message in this e-mail type it here:". Below this is a text input field with the placeholder "Enter Text" and a vertical toolbar with icons for undo, redo, bold, italic, and a checkmark. An arrow labeled "300" points to this toolbar. At the bottom, there is a note: "Note: Pluck uses e-mail addresses only to deliver links you have shared with users, we do not sell these e-mail addresses or use them for other purposes." and three buttons: "< Back", "Next >", and "Cancel".

User Registration

E-mail Notification Options
Sharing Links with Users Who Are Not Registered with Pluck

If a user does not have Pluck installed, Pluck will automatically e-mail the shared link, note, and other information to the user. Is this ok?

☒ Yes
☐ No

If you do not enable this option, attempts to share links with users who are not Pluck users will not be work.

If you would like to include an additional message in this e-mail type it here:

Enter Text

If you would like to see what these e-mails look like, [click here](#).

Note: Pluck uses e-mail addresses only to deliver links you have shared with users, we do not sell these e-mail addresses or use them for other purposes.

The image shows a web form titled "User Registration" with a sub-header "Invite Users". The form contains a text input field for email addresses, a text area for additional text, and a set of three radio buttons. A reference number "300" with an arrow points to the email input field.

User Registration

Invite Users

Invite your friends to use Pluck so that you can easily share links with them, create private shared folders with them, and much more.

Enter e-mail addresses here:

dpanos@pluck.com, snyder@pluck.com

Multiple e-mails should be separated with commas.

Enter Text

Note: Pluck will send one invitation to the user(s) you invite. Pluck will not spam them, share their e-mail address, or send them additional e-mails (unless you share a link with them later).

The screenshot shows a window titled "Creating Folder". On the left side, there is a logo consisting of a stylized star or flower shape next to the word "Pluck". Below the logo, a paragraph of text reads: "Remember, you can always invite more members to participate in this folder in the future by right clicking the folder and choosing 'Manage Folder'". In the center-right area, under the heading "Creating Folder", there are three fields: "Folder Name:" with the value "Pluck Research", "Folder Type:" with the value "Public", and "Category:" with the value "Technology". Below these fields, there is a section for "Keywords:" containing the text "Research, Pluck, RSS, Atom, Newsfeeds, Feeds", followed by a "Description:" section containing the text "Articles, directories, standards information, and everything else you might want to know about RSS and Atom.". At the bottom of this central area, it says "Creating folder, publishing information:" above a progress bar that is approximately half-filled with black segments. At the very bottom of the window, there are three buttons: "< Back", "Finish", and "Cancel". A red arrow from the number "400" points to the right edge of the window frame.
